Processing Your Dental and Optical Claims

Alberta Health has contracted the Alberta Dental Service Corporation to process dental claims and Alberta Blue Cross to process optical claims. Alberta Dental Service Corporation and Alberta Blue Cross issue payments to the service provider (dental provider or optical provider) or directly to you, depending on how the claim is submitted.

How it works

Your claim will be paid in one of two ways:

If your service provider bills Alberta Dental Service Corporation or Alberta Blue Cross directly: The program will pay the service provider for the amount that you are eligible for under the program. If there is a difference between the amount you are eligible for and your bill, you need to pay the difference. For example, if your bill is \$280, and the program covers \$230, you pay \$50 ($\$280 - \$230 = \$50$).

If your service provider does not bill directly: You pay the full bill. Then, you can submit a Claim Form (available from your service provider or online at www.albertadentalservicecorp.com or www.ab.bluecross.ca) to get reimbursed for the eligible amount.
